

# THE LEADING INTERNATIONAL CANCER IMMUNOTHERAPY CONFERENCE IN EUROPE

7<sup>th</sup> ImmunoTherapy of Cancer Conference  
April 2 – 4, 2020 • Munich, Germany

The **Immunotherapy of Cancer Conference** (ITOC – [www.itoc-conference.eu](http://www.itoc-conference.eu)) to be held in **Munich, Germany from April 2 – 4, 2020** is a European meeting providing a global platform for translational research in the field of immuno-oncology as well as a forum for discussion of early clinical translation and to address its unique challenges.

**ITOC7** is presented by the **Tumor Centre in Munich (TZM)** the **Society for Immunotherapy of Cancer (SITC)** as well as the **Comprehensive Cancer Center Munich (CCCM) in Munich**. The main goal of the series of ITOC conferences is to provide a unique platform for discussions where all those dedicated to the immunotherapy of cancer can exchange their knowledge and latest findings to advance the oncology drug development and delivery. We are addressing experts from academia, pharmaceutical industry, regulatory authorities and patient advocates.
